

Janet & John

A Natural Choice for the Professional.

J.J. Ringworm Treatment.

Directions for use;

This product is to be used as supplied;

If Ringworm is seen or diagnosed follow these procedures. If you are able, wash the patients off using J.J. Shampoo and rinse down. While the coat is still damp apply J.J. Ringworm Treatment. Open the cap of the bottle and liberally apply J.J. Ringworm Treatment to and around the infected area gently spreading with a sponge. Allow the coat to air dry. Re-apply J.J. Ringworm Treatment daily for five days for best results.

If you feel your patient requires a rug, then the rug should also be treated using J.J. Infection Control Disinfectant at 1 to 5 with water. The reason for this is, if the rug has been on the patient then it will continually re-infect your patient. Full protocols and range of products are available for quarantine or outbreak incidents.

This product contains; No Aldehydes, No Alcohols, No Chlorines, No Phenols and No Parabens for the benefit of you and your horse, while protecting the environmental structure of the planet by being readily biodegradable.

Product make up;

Homeo-Harmonised Water. (Aqua), "Sterichelle" (Alkyl Dimethyl Benzyl Ammonium Chloride, Alkyl Ethyl Benzyl Ammonium Chloride)

Appearance; clear colourless liquid.

Caution. For external use only. Keep out of eyes. J.J. Ring Worm Treatment contains Sterichelle™ which is about as safe as water to higher living organisms and to the environment. It is however proven to kill various micro-organisms through a broad spectrum so reasonable care should be taken. If ingested or in contact with eyes rinse with water immediately and seek medical attention.

Keep in original container. Store in a cool dry place away from children.

All empty containers should be recycled using the appropriate facilities offered by your local authority.

"Sterichelle" is your Invisible Protector against Bacteria, Viruses, Moulds, Fungi, Spirochetes, Bacterial Cysts and Fungal Spores that are potentially harmful to your Horses.

All test data is available on request.

Contents container is size specific.
