

# Janet & John

natural products for wonderful creatures

Janet and John Equine Range:

## J.J. Hoof Gel

Directions for use:

Clean and wash out any debris from the hoof making sure no grit or stones are left behind. Liberally paint the gel into the underside of the hoof as well as the out side. Leave and allow to air dry. Repeat this procedure daily for five days to knock down any fungal infections. If possible soak the hoof prior using the gel using J.J. Hoof Soak. Do not work the horse until the infection is completely cleared up.

Full protocols and products a range of products are available for quarantine or outbreak incidents.
