

JJ Equine

A Natural Choice for the Professional.

JJ Riders Hand Soap

Directions for use:

Rinse as much loose dirt and debris from your hands as possible.

Place an amount of JJ Riders Hand Soap in your hand and work into a lather with water. Rinse off with clean water after approximately 90 seconds.

JJ Riders Hand Soap is designed to clean your hands gently while feeding natural oils back into the skin, reducing dryness and cracking all through the year.

Ingredients: Homeo-Harmonised Aqua, Cocamidopropyl Betaine & Cocomidopropylamine (Coconut Oil) Cocamide MEA, Parfum, Sterichelle™, Citric Acid, Sodium Chloride, Food coloring.

Appearance: clear slightly pink viscous liquid.

This product contains no aldehydes, alcohols, chlorines, phenols or parabens whilst reducing risks to the environmental structure of the planet by being readily biodegradable.

Caution. For external use only. Keep out of eyes. JJ Riders Hand Soap contains Sterichelle™ which is as safe as water to higher living organisms and to the environment. It is however proven to kill various micro-organisms through a broad spectrum so reasonable care should be taken. If ingested or in contact with eyes rinse with water immediately and seek medical attention.

Keep in original container. Store in a cool dry place away from children. All empty containers should be recycled using the appropriate facilities offered by your local authority.

“Sterichelle” is your invisible protector against bacteria, viruses, moulds, fungi, spirochetes, bacterial cysts and fungal spores which are potentially harmful to your horses.

All test data is available upon request.
